## Letter from the New Section Chief

Brothers,

Conclave 2011 has come and gone, but it was an exciting time for all! We demonstrated our brotherhood as we "Gathered Here Together," we remained cheerful in spite of the weather on Saturday morning and we cheerfully served as we pack school supplies for the young people of the Surry County School System. I can truthfully say that I am honored to be elected as your section chief and was inspired by the experience of this conclave!

I look forward to the year ahead and encourage you to look into the High Adventure programs for this summer. As the section leadership begins to prepare for Conclave 2012, I ask you "Who is Ready?" In the coming year we will work to keep SR-7B moving onward and upward as we continue our strive towards excellence.

In Wimachtendienk,

David Joyner  
SR-7B Section Chief

### Conclave Service Project Thank You

You will not know the children that open your gift of book bags to find wonderful school supplies inside. You will not be able to observe these children using the tools during the summer months to learn and grow. You will not receive the smiles or the thank yous from the 1200 children that benefitted from your hard work. So on their behalf of our students I want to thank you for creating the valued gift of resources for summer learning.

Through this project you have learned the important life lesson of giving without recognition so that others will benefit. We are thankful for you and your leaders, and we salute you for your unselfish gifts of time, resources, and compassion. Please know that you have our best wishes as you continue your fine work.

Pat Widdowson  
Assistant Superintendent  
Surry County Schools
