A Word from Klahican

Fellow Brothers,

My name is Robert Perry of Klahican Lodge #331. I am writing you today about one of the most well-known trips in the Order of the Arrow, yes I am talking about CONCLAVE!!!

I will start off by telling those that have never been, about Conclave. If you are looking for a weekend: full of fun, excitement, networking with fellow OA brother from across this wonderful state, putting your dancing along with your drum team up to the challenge of competition, trying your luck in challenging games called Quest (which is the OA's answer to the Olympic Games.), cure your itch for patch trading, or just want to enjoy a ceremony or two then Conclave my brother is just for you!

I know some are questioning on whether to go, never question it! IT IS all it is hyped up to be! From talking to the hundreds that were there my first time, to the hundreds that were there their first time everyone has had a wonderful time, and if you couldn't tell I have too.

So please join me at Camp Cherokee for Conclave 2012, I will hope to see you there.

Your fellow brother,
 Robert Perry
 Klahican Lodge #331

Who is Ready?

Conclave 2012 is gearing up to be one of the most exciting ever, and as usual, countless hours of hard work from dedicated volunteers in our section have been implemented—and all of this to make your experience the best yet. But there is one thing that makes the SR-7B Cardinal Conclave better than any other, and it's something no one man can accomplish on his own: SPIRIT! For years the lodges of SR-7B have competed at Conclave for the renowned Spirit Award, and in the process have made our Conclave one of the best in the nation. I challenge each and every one of you to rally, to encourage the brothers of your lodge from now until Conclave, and to reignite the spirit within our great section as we come together and make this year's event unforgettable. ARE YOU READY?

Give the Gift of Life

Conclave Participants,

Conclave is almost upon us and with it our opportunity for service as well as fellowship. We will once again offer an opportunity for participants who are 17 or older to give blood through the American Red Cross on site on Saturday. The American Red Cross similar to past years has asked us to pre-register the time slots available and fill-in with walk-ins as necessary. Blood donations will be accepted from 9AM - 2PM and there are multiple slots every 15 minutes. If you are interested in giving blood, please pre-register by emailing Brett Warner at brett@brettwarner.com with your name, preferred time and cell phone number that you can be reached at on Saturday of Conclave. Thanks in advance for your support of this great life giving service opportunity!

Carolina Indian Seminar 2012

The Carolina Indian Seminar was a memorable experience for everyone who attended! All sorts of classes ranging from drum to ceremony were instructed by some of the best experts in the country. Arrowmen from Alabama, Florida, Ohio, and many other states came to the hills of N.C. to learn about American Indian Affairs in the Order of the Arrow. SR-7B is very blessed to be near such an invaluable resource of information. Ideas were shared and friendships were created by those who attended the seminar. Many of us are already looking forward to the next seminar and we hope more brothers from our section will go with us next year.
